

# Megan Tosi-Cavanagh

I am Megan Tosi-Cavanagh and am going out for a town councillor position. I have just graduated from Sask Poly Tech with a Business Management Diploma. I am also working full-time with Prairie South School Division as a bus driver. Currently, I volunteer with the Gravelbourg Early Childhood Coalition as their treasurer. I am a stakeholder in Gravelbourg and want to see it grow and continue to be a desirable place to raise our families and set down roots. I am interested in

seeing a more transparent town council involved in the community. I would like to see repairs happening around town quicker and large projects better communicated to the community for their input. I would also like to explore options for getting more rental options for individuals to help attract people to Gravelbourg. I plan to explore ways to get our pool open for more of the year as it is so valuable to our small town and it is wasted being closed so much of the year. I am excited to have a chance to help Gravelbourg grow for all the people living here and those who will come in the future.
